Pallister pushes P3 schools, despite growing concerns

Today the Manitoba Government announced the hiring of a private consulting firm, KPMG, to pursue the government's plan to build four new schools in Manitoba under a Public-Private Partnership (P3) model, despite growing concern nation-wide that P3 schools end up costing more.

CUPE Local 1816 Labour Dispute at Pacific Blue Cross

[PBC] members looking for ways to support CUPE 1816 are being asked to forgo using online services of Pacific Blue Cross and instead submit their claims by paper only via postal service. While this may result in payment delays, it is the Local's belief that this action will hasten a resolution to the labour dispute and a return to normal service levels
