

## **Financial Advice In the Event of Job Action:**

1. Advise your Mortgage Company, Bank, Credit Union, and/or Financial Institution that you are picketed out. Most mortgages allow for the deferral of one payment, sometimes two.
2. Advise BC Hydro, Telus and other utility companies that you are picketed out. These companies may allow deferral or alternate payment.
3. Advise your creditors of your circumstances. This is a courtesy they appreciate, and they may suggest alternatives to your regular payments.
4. VESP withdrawal forms will be processed. In certain circumstances the Union and the City can jointly agree to a full withdrawal of all monies (including the \$500 usually withheld) or a second withdrawal for this year. Forms will be available at Strike Headquarters.
5. EAP continues to operate for counseling and support. Their number is 604-665-2150
