Canada's Labour Market Training System

Canada's Labour Market
Training System allows us
to understand the current
system and where to
challenge it in order to
gain justice for all workers.

B.C. proposes better health coverage for wildfire crews, Indigenous firefighters

The proposed changes to the province's Workers Compensation Act will expand presumptive illness coverage for cancers, heart disease and mental health issues for wildfire firefighters, fire investigators and firefighters working for First Nations and other Indigenous organizations.

As video games make billions, the workers behind them say it's time to unionize

Hundreds joined a series of standing-room-only roundtables on the topic of organized labor, taking time away from the Game Developers Conference to brainstorm ways to build worker power in an industry that is almost entirely nonunion.
